

MINUTES OF STAKEHOLDERS' CONSULTATIVE MEETING ON
YEAR 2020 BUDGET FOR OYO CENTRAL SENATORIAL
DISTRICT HELD AT ANCIENT ATIBA HALL, OYO ON TUESDAY
12TH NOVEMBER 2019.

INTRODUCTION

The Oyo State Government embarked on consultation with the citizens and relevant stakeholders to garner inputs into the year 2020 Oyo State Budget. The next in the series of the consultations took place in Oyo central senatorial district to elicit inputs from the relevant Stakeholders. The team from the Oyo State Government led by the Chief of Staff, comprising members of State Executive Council and representatives from relevant ministries stormed the ancient city of Oyo on Tuesday 12th November 2019 to meet with eminent personalities, political gladiators, religious leaders, traditional rulers, community leaders, market women, youth leaders, representative of artisan and People Living with Disability (PLWD). The consultation was held at Atiba Hall at 11a.m.

The proceedings for the day commenced when the Chief of Staff to the Governor, Chief Bisi Ilaka representing the Executive Governor, Engineer Seyi Makinde, led other political appointees from the Senatorial district which included Commissioner for Environment, Hon Kehinde Ayoola, Commissioner for Energy, Engr. Asamu, Commissioner for Trade and Investment, Hon. Adeniyi, and Commissioner for Establishment and training. Mr Olasunkanmi Olaleye to the Atiba Hall.

Also in attendance at the meeting were two former Speakers of the State House of Assembly, Rt. Hon. Moruf Atilola and Rt. Hon Asimiyu Alarape, who currently is the minority leader in the House of Assembly leading the team from the ninth Assembly to the gathering. The traditional rulers present in the forum include Onpetu of Ijero and the **Oyemesi** who represented the Alaafin of Oyo, Oba Lamiidi Adeyemi.

In his welcome address, the State Commissioner for budget and Economic Planning, Hon. (Bar) John Adeniyi Farinto started by paying homage to Alaafin of Oyo, Oyo State House of Assembly Members, Onpetu of Ijero, Imam, Chairmen of Christian Association of Nigeria, former speaker Hon Moruf Atilola and all leaders from Oyo Central Senatorial district present at the venue. He said that the purpose of the meeting was to fulfill their electioneering campaign of running an all inclusive, open and transparent government in which the people will play determinant roles in policies and programmes of government. According to him, “the platform is to collate feedback from the people on government performance and to gather inputs from them on the proposed inputs for 2020 budget”. The amiable commissioner stressed “not that the government does not know what to do, but we want the people themselves to say exactly what they want government to do for them’.

Finally he welcomes the participants and implored them not to hesitate to demand for exact things they want government to do for them in 2020.

In his goodwill message, the Commissioner for Environment, Hon. Kehinde Ayoola, commended the governor of the State for initiating the programme, saying “ this is the first time in the history of governance in the state that the people will be consulted to determine the needs the government will address”. He congratulated the people from the senatorial district and implored them to make a good use of the opportunity by enumerating the various needs desired from the current administration in the year 2020. “With the cooperation of the citizens, development will be easily attainable”, he stressed.

In his characteristic manner, the special adviser to the governor on Economic Matters, Dr Adetunji Babatunde, used the story of a community where people fetched water from far away stream, only for the world bank to facilitate a water project that was sited at the centre of the Village but the women refused to make use of the facility and still prefer to go to the faraway stream to fetch water. On investigation, according to him, the project does really address the needs of the women, who used the long distance to engage in women talk. Therefore, the project does not address their yearning needs. With this story he emphasized the need for consultation with the end user of a project as pivotal for any developmental project.

Therefore, the state government accords a serious priority to consultation as basis for sustainable development.

At this juncture, the zonal Chairman of Christian Association of Nigerian (CAN), Apostle Adeleke was ushered –in to pray for the administration, the people and continuation of good work in the State.

In his goodwill message, Commissioner for Establishment and Training, Mr Olasunkanmi Olaleye congratulated the people of Oyo State for voting into power government that recognize and appreciate them and what they need to do is to cooperate with the government by putting forward their needs. According to him, “You are the owner of the mandate, we were only there as a mere servant to you people”.

In his keynote address, the Executive Governor of the State, Engr. Seyi Abiodun Makinde who was represented by Chief Bisi Ilaka, the chief of Staff, said what we are witnessing now is complete deviation from government norms in this part of the world where people have no inputs into governance. Hence, we are creating this platform for people to contribute their quota in the development of Oyo State 2020 budget. “Open government approach to governance is a paradigm shift and a total deviation from the norms in this part of the world,” the governor said

The Governor further disclosed that there is on-going restructuring in the state; we are still dependent on federal allocation and Internally Generated Revenue (IGR) is abysmally poor. Therefore, he sought for the support of the people to fulfill his development agenda for the state.

He enumerated some of the achievements of government since assumption office to include reduction the number of out of school children with the abolition of school fees and provision of access to qualitative and inclusive education in the state. On Agriculture, the government is striving to explore the potentials in agriculture that are abounding in the state to boost the State Internally Generated Revenue (IGR). Also the government recently bought vehicles and other communication equipment for security agencies to enhance the security of the state.

The governor lamented that the last blueprint for development in the state expired in 2012, but the current administration had commenced work to produce a 20 year development plan for the state which would be an all-inclusive document. Hence, the government was seeking the bond with the people to move the state forward.

Summary of Peoples' Proposals for 2020 Budget for Oyo Central Senatorial districts.

ROAD/INFRASTRUCTURE

S/N	OYO CENTRAL SENATORIAL DISTRICT	PROJECT DESCRIPTION

		Fulani Herdsmen menace in the area.
--	--	-------------------------------------

In his response the representative of Governor Seyi Makinde, Chief Bisi Ilaka assured the participants that all ideas and requests submitted would be sent to the relevant Ministries and Agencies for incorporation into the Year 2020 Budget. He said “it is my pleasure to mention that the Arrowhead of OYSROMA is an indigene of Oyo town”. And, according to him, the budget of OYSROMA has always been between 100 and 200 million but this has been reviewed upward to a minimum of 5billion naira so that the agency can effectively carry out her duty as expected

He also disclosed that a committee that would be looking into Full Ownership of Lautech would be inaugurated that day. Employee Audit is currently going on and anytime employment is require we will openly recruit people.

He disclosed that the PHCCs are currently been equipped and rehabilitated while challenges in Adeoyo State Hospital are being addressed by the government.

In his vote of thanks, the Permanent Secretary, Budget and Economic Planning, Mrs. Mofoluke Adebisi appreciated the Commissioner of Budget & Economic Planning, Establishment and Training, Energy, Environment, Trade and Investment, Agriculture, SA to governor on Economic matters, Onpetu of Ijero Land, Imam Oyo, Minority Leader and other stakeholders present at the

gathering. The meeting was adjourned at 5:30p.m. with joint recitation of the second stanza of the National Anthem
